

JOIN THE PCS YMN

The voice of young workers in PCS

PCS believes that young members have an important role to play in the present and the future of our union

Are you fed up with:

- Low pay and no pay rise?
- Management taking advantage of you?
- Zero hours contracts and poor terms and condition?

Then join the Young Members Network

The Young Members network organises to protect and organise young workers aged 27 and under in the PCS. We hold regular meetings and events nationally and locally to discuss organising, workplace issues and the wider political issues facing young people today. We campaign on issues relevant to you, offer a range of support, mentoring and socials and take a leading role organising with young members from across the trade union movement.

If you want to join the PCS young members network fill out the form on the back or sign up online at pcsyoungmembersnetwork.wordpress.com
